

1.10m - 1.30m National (Silver League Championship) Class Guide

This competition guide will help you identify the classes that both you and your horse are eligible for based on the height you wish to compete at.

As a national member you will accrue Regional Silver League points in any classes with a 1st round height of 1.10m - 1.30m that you get placed or jump double clear in. It is worth noting, that if 1.10m is the maximum height you have achieved results at then the points remain within the Bronze league, unless you specify otherwise. The Regional Silver Leagues are horse/rider combination based from which you can qualify for the Silver League Championships Semi Final. NB. Five placings/double clears at 1.35m will move horse/rider combinations into the Gold League. Result(s) at 1.40m and above automatically move horse/rider combinations into the Gold League.
