## Winter Championships

## Qualification & Restrictions

### Jumping Classes

Every rider and/or team taking part in showjumping classes must be BS Just for Schools members. There is no qualification required for the standard League classes running each day.

Only qualified riders may compete in the Just for Schools Winter Championship classes. All riders/teams featuring on the leagues at the end of Feb 2017 will be qualified. These riders will have be sent letters from the British Showjumping Head Office stating they are invited to compete in the Winter Championships.

### Style Jumping

There is no qualification or membership required for the Jumping with Style classes.

### Dressage Classes

There is no qualification or membership required for the Dressage classes.

## Just for Schools Membership

### Individual

- FREE: If a Pony Club or Riding Club Member
- FREE: If a National British Showjumping Member
- FREE: If a member of a Just for Schools Team (automatically registered for individual leagues if in a team)
- If not a member of any of the above - £30 for a rolling 12 months

### Teams

- A school can register as many teams as they would like with it being £30 per team registration for the year.
- The team registration includes 3 or 4 members plus any reserve riders which can be interchanged throughout the year (to be registered before or at entry of competitions)
- A team can compete in as many heights as they would like as long as the riders within each class are competing in no more than 2 consecutive heights at that show.

If a team or individual have qualified in more than one height they will be qualified in the higher two heights.

All riders need to be registered by the competition so if a team/individual have not sent their registration in before a show this needs to be sent along with the results into head office otherwise the result will be void and removed from any records.

## Frequently Asked Questions

### **My School has never done a BS Just for Schools competition. What do I need to do?**

Schools membership is just £30 for the year. Once your school has joined, you can enter teams in every class across the country. More information on Just for Schools events can be found on the [www.britishshowjumping.co.uk](http://www.britishshowjumping.co.uk) website. Further information on membership can be found on Page 8.

### **What can we do if we have not qualified?**

Only the Winter Championship classes require qualification. The "Open" and "Stars of the Future" Showjumping classes do not require qualification. None of the Style Jumping classes require qualification either.

### **I would like to be eligible for individual placings in the classes. What do I need to do?**

Every rider in a team is eligible for individual placings.

### **Some of the riders in our school have not competed very much before. Will we be good enough?**

The whole ethos of Cricklands is to encourage participation across all levels of equestrianism. Whilst the level of competition is likely to be high, it is our aim to ensure that all riders benefit from the experience of coming to our centre to compete.

### **How do I enter a team through your online system?**

Although we will always take entries through the post, we would rather you use our online system, Horse Monkey. If you set up your school as a "Yard" you can enter all your riders under this banner. As always, if you have any queries, please contact us using your preferred method.
