

Schools Information

There will be a schools league along with a school National Final to be held at the British Showjumping National Championships. Schools competitions will run from January through to the end of June 2016. The following league will then run **from July to June**.

It will allow schools/colleges to compete as a team or individuals, to feature on the leagues and compete in the finals as both individuals and teams, with the best 3 scores to count from teams.

Classes

Classes will be run similar to Club classes along the lines of rules and booking dates

The class heights will be 0.70, 0.80, 0.90, 1.00, 1.10m; it would be preferable for the school classes to be run as a standalone School Show, which means there can be up to 5 height competitions on one day. Each member of the team competes at the same height but a school can enter a team in all 5 heights if they would like.

Qualifying Process

Leagues;

- One national league for teams and individuals per height category
- Top 8 teams and 10 individuals on each league to qualify. Individuals can qualify in both the league and the teams.

Direct Qualifier;

- Four direct qualifier to be held in the North, East, West and South with the top team and top 3 individuals in each height category to qualify. These regional direct qualifiers will be tendered for.

The qualifications will pass down the line on the leagues with regard to teams and individuals that have already qualified directly.

Points only to be gained at the British Showjumping Schools competitions.

Membership

When competing as an individual existing members of British Showjumping and Pony Club also count as Schools members when competing they just need to fill in a schools form (no cost)

When competing as teams the School/College register teams at a cost of £30 per team (3 or 4 riders), so the school is the member then they just inform us of the team members, which can be interchanged throughout the year.

Schools winnings are not to go onto riders and horses/ponies British Showjumping national membership record.

If you have any queries regarding school classes please contact Anna Garside (anna.garside@britishshowjumping.co.uk or 02476698810) or your Development Officer.
