CH-EU-D YH:

Foreign athletes are invited by the Organising Committee through their NF.
One groom per athlete.

1. The World Breeding Championship for Young Horses in Dressage will be organised under FEI Rules with the support of the World Breeding Federation for Sport Horses. The selection procedure will be decided by the relevant National Federations in cooperation with the breeding organisation(s) in their country.
2. a) The general principle is that only NFs may nominate horses if there is a WBFSH member studbook within the country of that respective NF.
b) An exception to the rule 2.a) can be made for NFs, if
 - the athlete is an athlete with the nationality of that respective NF and
 - the horse is a horse of a WBFSH member studbook and owned by a person of the respective NFs country and
 - the (origin)studbook of the horse and the NF of that respective country, where the horse/athlete-combination is training, support the nomination.
3. a) The general principle is that NFs will enter horses that have a pedigree of a national studbook, which is a member of the WBFSH and whose seat is within the field of activity inside the respective NF.
b) An exception to the rule that horses must have a pedigree of a studbook which is a member of the WBFSH and whose seat is within the field of activity inside the respective NF, will be made in 2010.
4. The number of horses which may be entered by NFs in each class (i.e. five and six year old) is as follows:
 - Germany 7
 - The Netherlands 6
 - Denmark 4
 - Sweden 4

All other accredited NFs may enter up to two horses in each class.

Horses born in the Southern Hemisphere, that are 7 years old will be permitted to take part in classes for 6 year old horses and horses born in the Southern Hemisphere, that are 6 years old will be permitted to take part in classes for 5 year old horses, provided they are born between 1st August and 31st December).

5. As an exception to the FEI General Regulations, NFs may enter athletes of a different nationality provided the athlete's NF will give its approval. The combination of this exception with exception number 3 b) is not allowed.
6. Wildcards:
 - NFs may apply for wildcards only for horses that are registered in member studbooks of the territory of the respective NF and are trained abroad.
 - Exceptions to this rule will be considered for 2010 only for horses with a pedigree (showing at least three full generations) of a studbook, which has not been a member of the WBFSH and whose field of activity does not extend over a country in which already a WBFSH member exists. The exception will be made only once.
 - The number of wildcards depends on the total number of horses entered - a max. number of 50 horses per age group will be admitted.
 - Wildcards will be decided by the WBFSH and the FEI in close cooperation with the OC's NF and the OC.
 - Wildcards will be assigned in the following proportions: GER max 3, NED max 2, and all other NFs max 1.

APPROVED SCHEDULE CH-M-D YH/CDI3*/ CSI2*/CSI Am A+B Verden 2010

- Only wildcard requests from NFs will be considered; requests received from individuals will directly be refused.
 - Wildcards will apply to specific horses only and will not be subject to substitution by NFs.
 - Only the OC in close cooperation with the OC's NF and the FEI may allow substitutions.
 - Wildcards cannot be assigned to horses that have taken part in national selection systems, unless the respective NF agrees.
 - The final decision regarding wildcards and substitutions will be decided by the WBFSH and the FEI. No further appeal against this decision will be allowed.
7. In the Final competition of each class, no NF may have more horses than the number of places originally allocated excluding wildcards (i.e. GER 7, NED 6, DEN 4, SWE 4, other NFs 2).

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Avenue Rumine 37, CH-1005 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: www.fei.org.
