

MANDY MCGLYNN

Coach Qualifications: *Accredited Coach*

Lives: *Buckinghamshire*

Areas of Coaching: *Please contact to discuss.*

Training Facilities: *Outdoor Arena*

Coaching Approach

My key to coaching is confidence and self belief which can only be achieved by working on the individual needs of the pupil and their mount. I like to have a plan of action of what the individual wants to achieve.

Coaching Experience

I have been an Accredited Coach since 2004 and have worked with riders up to international level. Over the past three years I have done a lot with children being the main coach and organiser for the Central Region Junior Academy.

Riding Experience

I have ridden internationally but my main focus has been producing young horses which have gone on to compete internationally. I still ride at National Level with graded and novice horses.
