Scott Brash, from Peeblesshire in Scotland learnt to ride at the tender age of 7 years old when his father purchased a pony for both himself and his sister to share. His natural talent and love for Showjumping in particular saw him compete on ponies progressing onto horses in his teens.

He caught the eye of British Team selectors very early on with him making his debut on a Top Level Senior Nations Cup team in 2010. The following year saw Scott selected as a reserve rider for the 2011 European Championships in Madrid with December of that year putting him together with his 'horse of a lifetime' Hello Sanctos, a horse that his now long-term owners Lady Kirkham and Lord & Lady Harris had purchased for him with London 2012 in mind.

The purchase of Hello Sanctos must be one of the most notable successes of all time. Bonding immediately they went on to win a major Grand Prix in Florida early on in the year before heading back home to Europe and being selected for the squad heading out to La Baule in France. Their consistent performances saw them selected as a member of the London 2012 team where they made history alongside their team mates by winning Team Gold.

2013 saw Scott and Hello Sanctos win a back-to-back Team Gold at the European Championships in Herning before going on to win Individual Bronze two days later. The end of the year saw them pick up the 2013 Global Champions Tour title in Shanghai – a title which saw them springboard into the No.1 spot on the World Ranking List.

Known for his cool, calm demeanour he performs incredibly well under pressure to the point that he almost seems to thrive on it!

In 2012 he was awarded an MBE (Member of the Order of the British Empire).
