2012 saw Peter selected for the London 2012 Olympic Games with the relative newcomer, Murka's Vindicat W. With the final round of jumping and a Team Gold medal resting on Peter's shoulders, it was here that Peter showed everyone why he has the reputation of being a world class rider. Peter and Murka's Vindicat W produced a faultless round to secure Team Gold – the first for 60 years.

He has also been recently been given an honorary degree by the University of Winchester in recognition of his Olympic achievement

Did you know: One of his horses chewed a diamond out of an engagement ring before spitting it out at a Team GBR Training camp!
