This past year has been one that Scott will no doubt view as a life changing one. At the start of the year, he forged a relationship with Hello Sanctos, a new horse purchased by Lord & Lady Harris and Lady Kirkham with the London 2012 Olympic Games in mind.

Their performance on the team assisted Great Britain in securing a Team Gold in addition to Scott finishing in joint 5th position as an Individual.

Did you know: Scott's was always falling off his first pony, a Welsh Mountain pony he shared with his sister Lea
