Will's name is rapidly becoming tantamount as one of the best for breeding and producing horses. This has come as a result of the successful partnership he has developed with Donal Barnwell in the form of The Billy Stud which has produced some of the best homebred talents in the country.

The winner of many international titles, the one that has probably meant the most to him was the winning of the Hickstead Derby in 2006 which he has since achieved on two more occasions the most recent in 2011.

Will has represented Great Britain on one European Championship team, numerous Nations Cups and has consistently sat within the top tier of the Team GBR Rankings List.

Did you know: He may not fall of horses often but he once fell off the back of a boat in a shipping lane on the Solent!
