

## British Showjumping Officials Experience Programme Application Form

As part of British Showjumping's commitment to the ongoing training of its Officials we are inviting applications for those who may wish to participate in the 2020 Officials Experience programme.

This programme has been designed to allow Officials to obtain experience beyond their current level with the confidence of mentorship and support. Places on the programme will be limited and successful applicants will need to have demonstrated a commitment to the sport and a willingness to progress.

Whilst the scheme is considered self-funding, there is a bursary offered to successful applicants. The bursary opportunity allows a daily rate to be claimed, to a maximum of 5 days across the duration of the programme, at a rate of £50.00 per day. The bursary will be paid on successful completion of the experience programme.

Closing date for applications is the 31<sup>st</sup> March 2020. No application will be considered after this time.
