

MEMBERS COUNCIL NOMINATION FORM

British Showjumping are currently seeking nominations for vacant Members Council positions.

The Members Council is a group that ensures representation from across the country as well as including the main stakeholders of the sport. For devolved funding reasons Scotland and Wales need to be defined by Country boundaries with England being split into 6 Regions: North, East, East Midlands, West Midlands, South East and South West.

Applications are now invited from the following member categories to be appointed to the Members Council in 2022.

Riders and Officials

If more than one person wishes to stand for any of the above categories in each Country/Region there will be an election for Members to select their nominated representative for that category.

The Members' Council will meet a maximum of three times a year, via Zoom or at a venue in the Midlands, and will be responsible for setting strategy guidelines for the National Sport, this will also give Members a forum to bring suggestions from their Country/Region and to feedback items that are under discussion. Those elected will serve their term as outline above and serve no more than 2 consecutive terms (3 years maximum for each term) before having to stand down for a period of 3 years. Travelling expenses will be paid, in accordance with British Showjumping's expenses policy, for attending meetings of the Members' Council.
